

SAC Social Presents
An evening with Gary and Merrilee Lewis

Grab your friends and join us!

Outdoor writer and TV host Gary Lewis will present a slide show and a reading from a story he wrote about fishing in Vietnam. In March, Gary and a few close friends flew to Vietnam to tour Hanoi, Hue, Da Nang and Hoi An.

Lewis and the group (nine in all from Bend, Redmond and Sisters) visited Buddhist and Hindu temples, shopped in the night market, fished on a clear mountain lake and sipped coffee in little street-side shops.

This presentation will show off the best images from the Vietnamese capitol, from the Imperial City, from Hoa Binh Lake, Hai Van Pass, Ha Long Bay and Hoi An.

This was the Lewis's second trip to Vietnam and they are excited to share the story and images.

Dampeners at SAC**

You may have noticed a different look in the front desk/cafe area. We have installed sound dampeners. Not only do they help with the noise, but they are really cool looking.

Member Spotlight

Greg Raffety and Tracy Mackie

In 2011 Tracy and Greg both lived in the Seattle suburbs on the east side of Lake Washington. On a Thursday night in June, both Tracy and Greg independently went to a local “watering hole” on Mercer Island, WA with friends. Greg was sitting with his buddy Bill and noticed Tracy sitting with her friends at a nearby booth. Greg had just started receiving his matches from Match.com and noticed that Tracy looked VERY similar to one of his matches. At that point Greg approached Tracy and asked her if she was indeed one of his dating matches! Tracy responded by laughing and telling Greg she isn’t a participant on Match.com. Tracy and her friends wanted to see the photo of Greg’s “match”. Everyone had a good laugh because the pic looked a lot like Tracy! You could say they met through Match.com but not in the way Match.com intended. They have been together ever since.

“We have been together for 15 years, but we are still newlyweds! We both lived in the Seattle area for 30 years and moved to Lake Oswego, OR in 2013. We relocated to Central Oregon because we followed our youngest kid. Talk about invasive parents!”

“We joined Sisters Athletic Club on August 21, 2025. What we appreciate most about the Sisters Athletic Club is spin class! We truly enjoy the warm and welcoming attitude of SAC staff and fellow members. The overall positive vibe keeps us coming back for every workout. On cold mornings we REALLY appreciate the warm hearth in the lobby. Socializing before AM Spin is always fun!”

“We like long road trips, particularly if they incorporate National Parks. Listening to music and lectures at the Belfry is great fun! Greg likes to fly fish whenever possible. Tracy enjoys paddle boarding and watching Greg fall off his board. Nature hikes and bird watching are on the list. We are both avid college football fans. However, we don’t root for the same teams when the Ducks and Huskies play each other (Tracy is a dreaded Husky)!”

Tracy and Greg we are so happy you became members of SAC. It’s great to see you connecting with all your friends before spin class.
